**SHOULDER REHABILITATION ON WESTBOUND INTERSTATE 10
BETWEEN FORD STREET AND CITRUS AVENUE WILL REQUIRE
NIGHT LANE CLOSURES BEGINNING DECEMBER 8**

On the nights of December 8 and 9, work to widen Interstate 10 will require paving the outside shoulder on the westbound side of the freeway between Ford Street and Citrus Avenue in Redlands. This work will require nightly lane closures starting with one lane at 8 p.m. and two lanes from 11 p.m. to 4 a.m.

In addition to the nightly freeway lane closures, the westbound off-ramps at Cypress and Redlands will be closed during the lane-closure period to allow the paving operation to occur through these ramp areas.

Please drive cautiously through the construction areas and follow all posted signs. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the SANBAG website at www.sanbag.ca.gov.

SANBAG appreciates your patience during this freeway widening project.
